Some US states require a license to practice nutrition. Check the laws in your state regarding the use of titles such as “nutritionist” and “nutrition counselor” which are legislated in some states. Consult with the Council of Holistic Health Educators is a national 501(c)(4) nonprofit advocacy organization where you can learn about nutrition practice laws in your state.

<http://www.holisticcouncil.org/us.html>

Red states require a license to provide individualized nutrition advise.
